

CE DRIVE-THRU PROTECTION PLAN

ALL BRANDS, LOWEST PRICES GUARANTEED

MIND THE STORE, NOT YOUR EQUIPMENT.

Make the most of your equipment investment without getting bogged down in maintenance details. Now you can focus on running the restaurant without worrying about equipment hassles and surprise repairs that impact your monthly budget.

BENEFIT FROM OUR EXPERIENCE.

CE brings over 40 years of drive-thru service and repair experience to your business. Our experience has allowed us to create comprehensive plans that save you time and money.

CE Protection Plan customers enjoy a number of benefits:

- > Unlimited repairs, one low monthly payment
- > Reduced downtime
- > No long-term contracts
- > Any model, any brand
- > Highest quality parts & service

HOW IT WORKS:

1 You pick a level of coverage from the Drive-Thru Protection Plan options based upon your needs.

2 We take care of your equipment whenever you need it, and you save money by paying a low, fixed rate.

3 Your drive-thru is always up and running.

DRIVE-THRU PROTECTION PLAN OPTIONS

ALL BRANDS, LOWEST PRICES GUARANTEED

EQUIPMENT	MONTHLY PRICE	DESCRIPTION
HEADSET SYSTEMS Any model & any brand with up to 6 Headsets	Full Coverage \$55	Advanced exchange on base station, charger, vehicle detector, speaker, and power adapter; includes overnight shipping. Mail-in repair on headsets/belt-pacs, via ground shipping. Headset emergencies accommodated via advance exchange (2nd day shipping) for a \$75 fee.
	Premium Coverage \$69	Advanced exchange on all "full coverage" equipment plus headsets and belt-pacs. All equipment sent via overnight shipment except headsets and belt-pacs, which will ship via second-day.
HEADSET SYSTEMS Any model & any brand with up to 10 Headsets	Full Coverage \$65	Same as "full coverage" above, for 7 to 10 headset systems.
	Premium Coverage \$79	Same as "premium coverage" above, for 7 to 10 headset systems.
TIMER SYSTEMS System 20/30 FastTrack Timer	Full Coverage \$22	Mail-in repair only for timer, vehicle detector, and up to two remote displays. 2nd day shipping.
TIMER SYSTEMS Zoom	Full Coverage \$45	Mail-in repair only for Control Unit (CU), Timer Signal Processor (TSP), and monitor. Includes technical support during normal business hours.

With so many levels of protection, you get what works for you. Get a mix of advanced exchange and mail-in repairs with a full coverage plan. Or choose a premium plan to get advanced exchange for all of your equipment and have replacement equipment sent to you as soon as something is in need of repair. Other plan options are also available. Call CE for details.
